At the Mayor’s reception were Officials, invited guests and our Sister City members. There was an Unveiling of the General Antranig statue. He was the great general who led troops, in the aftermath of the genocide that led to the independence of the Republic of Armenia in 1918. Vanadzor- was the site of one of three important battles that took place. Last May, we were in attendance of the 100th anniversary celebrations of the republic last year, where they had the re-enactment of the great battle and announcement of independence. The Armenia Prime Minister was in attendance to tour some construction sites. The improvements happening in Vanadzor are part of the movement and motto-city of innovations. And hashtag kordz Ga which translates to “there’s work’. In the late afternoon there was a luncheon hosted by the Vanadzor Mayor, where the great maestro Tigran Mansurian was in attendance - *just a few days later he headlined the international contemporary composer’s festival at the opera house in Yerevan.* In the evening, there was a concert and unveiling of the dancing fountains, attended by the prime minister all the invited guests, and the citizens of

Vanadzor. During the Vanadzor day celebrations, we also had the opportunity to discuss possibilities of cultural and sports exchanges with the corresponding ministers and city officials. Pasadena Sister City Committee Members: Taleen Hindoyan, Vahan Poghosyan, and David Gevorkyan. In the days following, Vahan, Mrs. Ashkhen, host mom and support member visited a kindergarten to assess the needs that were listed in the updated needs/wish list provided in September. We went in to check on the restroom repairs but the principal had already taken out a personal loan to complete that project. In its stead we observed and assessed the need for heating. After extending the trip, Taleen had the opportunity to visit Vanadzor twice more. Invited to the autumn program at kindergarten #4, observed and assessed the dire need for heating, to replace wood burning stoves in the classrooms. During this time Taleen also visited the Henry Ikitian cultural center, run by Ms. Angela Jaghinyan, student host mom 2019. And thanked her for her hospitality and toured the center. Discussed many opportunities for cultural exchange and exhibition in the coming years. At the last Armenia Subcommittee meeting the budgets were approved to bring two heating projects to fruition.

Announcement: Armenian Subcommittee's Christmas celebration will take place on Wednesday, Dec 18th. We have decided to support the local St. Gregory's church ladies guild-by attending their Christmas luncheon as a committee. All are welcome to join us- please make reservations in the next week.
